

LASER HAIR REMOVAL

For Face & Body

Hair today, gone tomorrow!

Are you being bothered by unsightly body or facial hair?

Does it affect your confidence or self esteem?

Then why not consider laser hair removal?

This popular treatment can offer a permanent reduction in face & body hair. Consultations are free of charge and a patch test is required to assess your medical suitability for the treatment (also free of charge).

The treatment course is personalised to you to ensure best results. Laser hair removal (both laser and

IPL Intense Pulsed Light machines) is a popular treatment and is offered in many salons too. However, you have the added reassurance that ours is an effective medical-grade laser and treatments are carried out by suitably medically-trained and qualified staff in our clinical environment.

To book a FREE laser hair removal consultation and patch test simply call us on 02380 637 638 and we can arrange it for you.
